MEMORANDUM FOR: Director of Logistics

STAT FROM:

[redacted]
Federal Women's Program Officer, DCI Area

SUBJECT: Day Care Center

1. I believe inclusion of a day care center in the new CIA building should be one of the requirements studied by the Building and Planning Staff. As the Federal Women's Program Officer for the DCI Area, I think a day care center is in the best interest of CIA. The day care center would give us an edge in our recruiting efforts, particularly helping to relieve the severe clerical shortage. The center would be a motivating factor to our on-board employees, thus diminishing absenteeism and attrition because of child care.

STAT
STAT 2. I will inform the Agency's Federal Women's Program Manager, [redacted] of this suggestion and my willingness to lend support to any Agency effort. Please call me if you have any questions, [redacted]
